North Carolina State Bar Board of Legal Specialization Supplemental Materials for Workers' Compensation Law <u>Recertification</u> Applicants Only (Attach additional pages, if necessary)

Name: _					
IV. Substantial Involvement Briefly summarize your experience, during the preceding five years, in the matters listed below.					
	Briefly summarize your experience as principal counsel of record, in cases tried to an opinion and award of the NC Industrial Commission. Dependency and disfigurement cases should not be included unless a case involved complicated factual and/or legal issues. An occupational disease case may be listed here if it is not also listed in Section B. below.				
	Occupational Disease Cases. Briefly summarize your experience with occupational disease cases that you tried to opinion and award including a description of factual and legal issues.				
	Mediations. Briefly summarize your experience in mediations of workers' compensation cases in which you participated either as a representative of a party or as a mediator.				
	Appeals. Briefly summarize your experience in handling appeals of workers' compensation cases to the North Carolina Court of Appeals of North Carolina Supreme Court. For each appeal discussed, indicate whether you made the oral argument and/or wrote the brief.				

Name:
